High Quality Seed at Competitive Prices

- **Songbird Medley is a super premium mix with** no millet – only black oil sunflower, split peanuts, sunflower chips, and striped sunflower. If you don't get (or want) many sparrows at your feeders, this is for you!
- **Shell Free Medley** contains sunflower hearts, split peanuts, and hulled millet. No mess!
- **Augusta Premium Custom Seed Mix** a choice blend of premium black oil sunflower, peanut splits, and white millet, with a bit of cracked corn is formulated to attract resident and winter birds in this area.
- **Premium Sunflower Hearts** are a clear favorite for many birds, with no shells to litter the ground.
- **Peanut Splits** are a high-nutrition treat for woodpeckers, chickadees, titmice, wrens, and nuthatches.
- **Nyjer** seed is great for attracting beautiful goldfinches.
- **Premium Black Oil Sunflower Seed**, a higher grade than is generally available in local stores and contains virtually no chaff. This seed has a thinner shell, is meatier, and has higher oil content, so it's better for birds.
- **Safflower Seed** (Bright White) is a high protein food that appeals especially to Northern Cardinals, and is said to be less attractive to squirrels.
- High quality **Suet and Seed Cakes** from Pine Tree Farms come in boxes of 12 and are favored by many birds including wrens, nuthatches, titmice, and a variety of woodpeckers.
